EXPERIENCE FINANCIAL FREEDOM

ABOUT US

Intraday Trader is a one stop solution that caters all needs, in the, stock market from broking and education to wealth management and Mentorship program.

We aim at helping individuals, looking forward for a consistent source of income, from the capital markets and to develop a mindset of entrepreneurship by educating about the, importance of wealth creation and management through proper risk and reward based strategies under our guidance.

MEMBERSHIP PLANS

COMPLETE TRADER PROGRAM

For someone who is willing to give his best to learn and earn a promising career from the markets as a day trader, this program is meant for you. You will get familiarised with all about markets from basics to advanced trading strategies in equities, futures and options, currency & crude oil markets.

Index trading is one of our key focus in this program which ensures you are capable of trading. The topics will be trained through interactive live trading sessions for strategies deployment and recorded content for the theoretical part on our website and mobile app.
